Palomino Valley Gun Club

2017 Yearend Newsletter

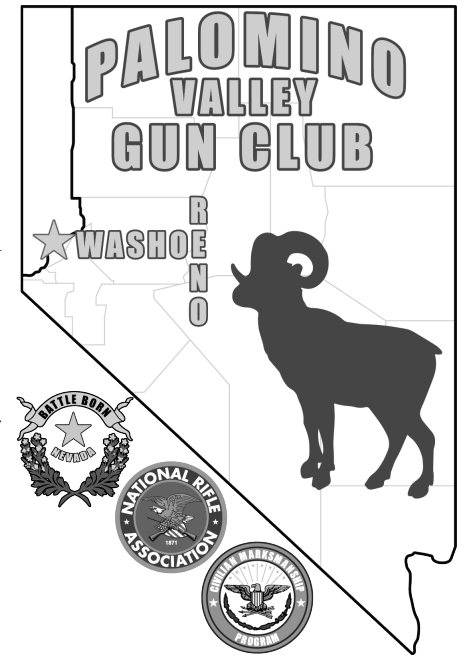

2017 has nearly come and gone and PVGC has logged another outstanding year of competition, camaraderie, and community. Notable accomplishments for PVGC in 2017 include record high membership, increased event participation, introduction of new events, and the launch of a new website.

As we look toward 2018, plans are already underway to build on 2017's momentum. With your participation we can make 2018 another successful year for YOUR club. But before bidding 2017 farewell, we hope to see all of you at our annual holiday gathering Wednesday, December 13th at Pinocchio's in Sparks. If you haven't been before, please join us. Pinocchio's never disappoints! Mail your dinner reservation so it is received BY December 9th. Pinocchio's needs to know how many people will be attending in advance in order to prepare enough food.

We also ask that you send in your 2018 club membership dues. All memberships expire the 1st of the year and renewing your membership ensures that you are covered by the club insurance policy at PVGC events.

Finally, the attached schedule is what we currently have scheduled, but it is subject to change. Dates may be added or removed throughout the year. To get the latest schedule updates and club news, sign up for the PVGC weekly email newsletter at www.palominogunclub.org.

Happy Holidays!
